

Clan Information Update

The Saint Andrews Society of Maine is constantly updating its contact list of all Scots & Irish clans. If you are the authorized representative for your clan, please click on the link below (or access the QR code). That will let me update the basic information for your clan. Please rest assured that all private information, such as mailing & email addresses and phone number, are kept in strict confidence. I do not allow the list to be seen by anyone, unless it is absolutely necessary for Games purposes. Also, anytime I send out an email to more than a single clan, I send the original to myself, and put all clan members email addresses in the blind carbon copy (BCC) field. This prevents anyone from accessing my list. Please fill out the form, even if you have already been registered with us in the past. Also, if your information has changed, just enter it again, and I'll update it.

Thank you
George Newell, SASME Clan Secretary
