

**5th Annual
Maine Highland Games & Scottish Festival
"Best Clan Tent" Contest**

Dust off your kilt, polish your Claymore, and practice your loudest battle cry for the
5th Annual Maine Highland Games & Scottish Festival "Best Clan Tent" Contest

All participating clans and organizations (including the Honored Clan) are eligible to compete. There will be several (anonymous) judges who will stop by each clan tent, at some point on the day of the Games, and will observe what they see, hear, and experience from the clan and its representatives.

The judges will be looking and listening for the following things:

- ◆ Best clan representation
 - ◆ *Decorations, memorabilia, etc. showing off the clan or organization*
- ◆ Most informative
 - ◆ *Information about the clan's origin, history & genealogy, tartan, etc.*
- ◆ Friendliest clan reps
 - ◆ *How welcoming are the reps, towards guests who stop by the tent.*
- ◆ Bonus points for "active" participation in the Parade of Clans
 - ◆ *Let us hear it "**loud and proud**" when your clan is announced*

The top three winners will have their basic clan registration fee paid for the 2023 Maine Highland Games & Scottish Festival, have their clan name announced as the winner at the closing ceremonies, be honored in "*The Pine Tree Highlander*", the Saint Andrews Society of Maine quarterly newsletter, and best of all will have bragging rights for the entire year with incentive to defend their title in 2023.

Do you have what it takes to be the best?

In the event of a tie score, 1st 2nd & 3rd places will be awarded at the discretion of the Saint Andrews Society of Maine Clan Secretary. All decisions are final.
